

THE CENTRAL

Instructions to access the Car Parking

The parking entrance is located in: 2 Rue du Fort Wallis, L-2714, Luxembourg

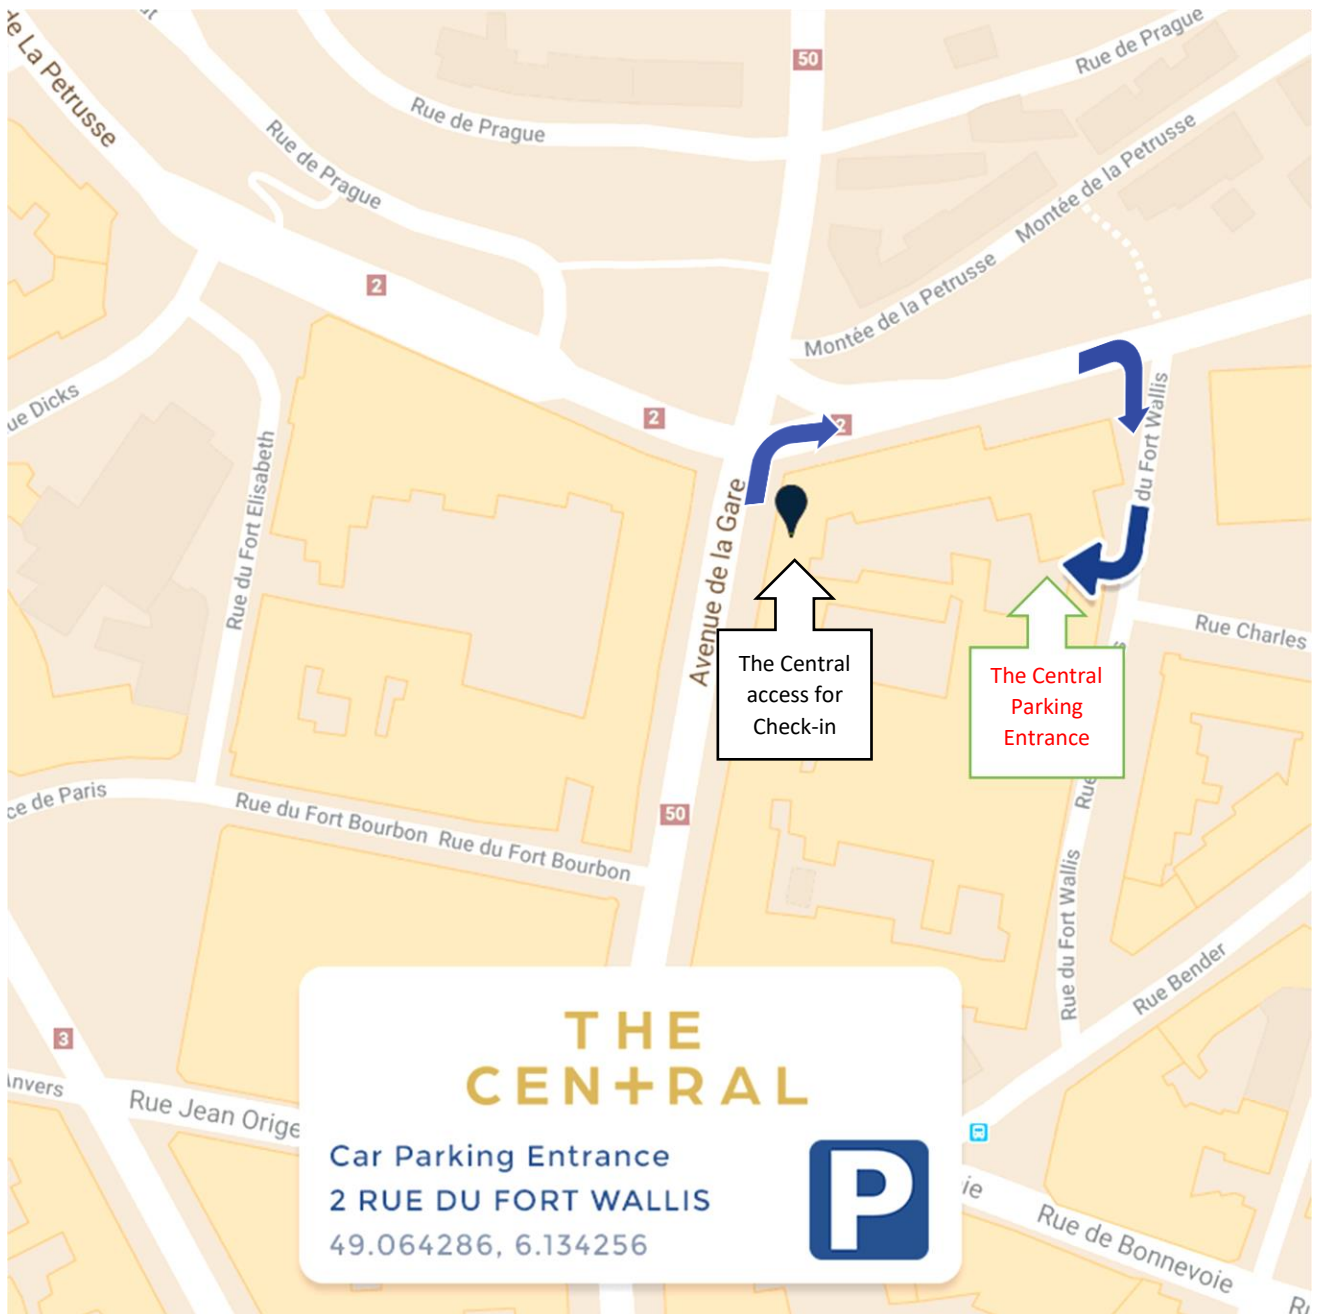

Please be aware that the parking can be accessed only by vehicles of maximum height of 2.05 meters

1. Reach the main entrance of The Central building at the address: 3-5 Avenue de la Gare. We suggest to temporarily park the car on the drop-off zone for the check-in procedure. From there you will be able to access the aparthotel to do the check-in, either at the ground floor (using the self-check-in kiosk) or at the reception at the 1st floor (assisted check-in during office hours).

3. In the picture below the red arrow shows the entrance to The Central Car Parking from rue du Fort Wallis.

4. There is a key card reader to open the gate on Rue du Fort Wallis, to be used only when the gate is closed at night, for security reasons. Once in the courtyard, you will find the ramp to access the parking entrance in front of you. The totem with the elevator key card reader is on left. To open the car-elevator digit the code "5049" using the black keypad. Once inside the elevator reach the **level -2** and park your car in any of the available car places.
